**ASSET MANAGEMENT SOLUTIONS**

**CPD & CEU ACCREDITED COURSES**

## TRAINING FOR SUCCESS

Our training covers a variety of maintenance and reliability topics including planning, scheduling, predictive and preventive maintenance, shutdown, commissioning management and more.

In order to meet your training needs, we offer Public Courses, Customized Onsite Training, and courses through Correspondence and Webinars.

Courses are accredited by the Government of Alberta's Water and Wastewater Operator Certification Program. Continuing Education Units (CEUs) are listed accordingly.

Carver courses offer Continuing Professional Development (CPD) credits. CPD credits – Hours are listed accordingly.

Carver PA Corporation requires a minimum of 10 attendees to conduct public training away from our head office in Edmonton, AB.

## ABOUT US

Established in 1993, with a proven track record and various industry recognitions, Carver PA Corporation has been at the forefront of its industry for nearly two decades. Carver has one of the most powerful, in-house foundations of technical knowledge and experience in the business. Carver is the only Recruiting firm in the Petro-Energy sector that has an internal Technical Training and Consulting department.

## CONSULTING

Providing World Class Asset Management Solutions through on-site assessments, implementation, and auditing services.

## TRAINING

Wide variety of training on improvement, maintenance planning, operational excellence, and reliability.

## RECRUITING

Over 20 years of experience in providing contract, temporary, and full-time professionals in oil and gas, pulp and paper, mining, and manufacturing industries.
